

## **Mission:**

The National Alliance on Ending Health Disparities (NAEHD) mission is to support and empower individuals, healthcare professionals, and decision makers through research, education, and advocacy efforts to eliminate health disparities in all communities.

## **Vision:**

To create a world where every individual, regardless of their situation or background, has equitable access to high-quality healthcare from trusted providers.

## **Our Core Values:**

### **1. Equity:**

We are dedicated to fostering an environment that provides the same opportunities to ALL communities, regardless of race, ethnicity, or socioeconomic background. By working to dismantle barriers and addressing systemic health care inequalities, we ensure every community has a voice and a seat at the table.

### **2. Empowerment:**

We equip our members and communities with the necessary tools and resources to take charge of their own lives and health care. Through research, education, and advocacy initiatives, we empower individuals to drive meaningful change within their communities.

### **3. Resilience:**

We embrace challenges and adapt to an ever-changing landscape in the pursuit of health equity. Through determination and a commitment to our mission, we strengthen our organization, our members, and the communities we serve.
